GUY FIERI ✓ \$

The American masterchef and Emmy-Award winner has even created two different restaurant concepts for our ships. Guy's Burger Joint is available on all our ships and has evolved into one of the ultimate favorites among our guests.

EMERIL LAGASSE \$

Mardi Gras sets sail with Emeril Lagasse's first-ever restaurant at sea: Emeril's Bistro 1396™. Everybody knows about Emeril's love for Creole cuisine. Sharing his hometown favorites with the world is his life's work – and now you'll enjoy the authentic bayou flavors and fun that New Orleans.

RUDI SODAMIN \$

Rudi's Seagrill is the brainchild of Austrian master chef Rudi Sodamin. He has years of experience pleasing palates of vacationers... and this guy loves serving up a smile as much as Carnival does! But he's serious about you experiencing the best that the seas have to offer, and an evening at Rudi's proves it through the courses.

SHAQUILLE O'NEIL ✓

NBA legend and Carnival Chief Fun Officer Shaq has created something very special for the brand new Mardi Gras, Carnival Celebration and Carnival Radiance – step up to the counter for lunch or dinner and walk away with your choice of chicken sandwiches, crispy chicken strips or juicy fried chicken baskets... plus side dishes, like potato salad and jalapeño slaw. SOUTH CARIBBEAN

Where Caribbean dreams come true – especially the so called ABC islands Aruba, Bonaire and Curacao are counted as true Caribbean dream destinations. Located just a few miles from the South American mainland, the colorful old town of Willemstad on Curacao will enchant you just as much as the white sandy beaches of Aruba and Bonaire's underwater environment.

Also known as „Leeward Islands“, tropical storms are not an issue in this area and you can enjoy a pleasant climate all year round.

XL-CLASS

Our two brand new sisters Mardi Gras and Carnival Celebration impressively mark Carnival Cruise Line's 50th anniversary with all their ground breaking innovations:

As the first ever ships in the US both green cruisers are powered by liquified natural gas (LNG).

Bolt, the first roller coaster at sea, guarantees plenty of excitement and extraordinary views at 60 km/h at more than 50 meters above sea level.

Loads of innovative new restaurant concepts offer more culinary choices than ever: besides our all-time favorites you can look forward to a new selection of Street Food, Rudi's Seagrill, ChiBang, Emeril's Bistro 1396, Big Chicken and a lot more...

CANADA & NEW ENGLAND

Potentially the most underestimated cruise destination. Historic cities, delicious lobster and of course unique natural gems will certainly impress you. A magical experience awaits in September when the leaves turn red & yellow and turn the entire region into a bright, colorful strip during the world famous Indian Summer period.

Bright colors can also be expected in New York before and after your cruise – don't miss out on some extra days in the world's most exciting city. A cruise to Canada & New England provides a combination of city and nature life that is almost impossible to match.

Mardi Gras™

We are celebrating our 50th anniversary with two groundbreaking new ships: **Mardi Gras** and **Carnival Celebration**.

Just like Carnival's very first ship, 1972's Mardi Gras, the new Mardi Gras and her sister mark the start of a new era of cruising. With the first LNG (liquefied natural gas) powered US cruise ships Carnival is leads the way when it comes to green cruising.

Mardi Gras and Carnival Celebration are not only propulsed in the most environmentally friendly way possible, but also revolutionize the cruise industry with their onboard attractions – particularly Bolt Ultimate Sea Coaster, the first roller coaster at sea, guarantees spectacular views and adrenaline rush. Action awaits with up to 60 km per hour at more than 50 m above sea level.

Besides our all-time favorite FunShip features we have created various themed areas onboard. The «Grand Central» atrium area, the New Orleans inspired «French Quarter» or the wonderful «Summer Landing» area close to the sea will certainly impress you.

Plenty of new restaurant options developed with top chefs such as Emeril Lagasse and Rudi Sodamin as well as NBA Legend and Carnival Chief Fun Officer Shaquille O'Neil, and fantastic new stateroom & suite concepts will make sure that we can truly offer the perfect cruise experience for everyone.
